In the event of extreme winter weather, we will make the decision to cancel the night before the event. I will send an e-mail if there is a cancellation. Please check your e-mail before you leave home. You may also call ahead. Our home # is 892-3032. Dan's cell # is 270-3623. Gail's cell is 270-3624.

*The game shows will be a series of 10 shows. Buckles will be awarded to the high point winner in each of the four age groups as well as awards to at least 3rd in each age group if we get an average of 30-40 riders at each show. If the turnout is less than 30, we will still award prizes, but not buckles. If

participation falls below 20, we may cancel the series at our discretion. The age groups will be determined at the first show to equally distribute the number of riders in each group.
